FOUNDATIONAL LITERACY SKILLS

hands-on interactive printables

Digging for Digraphs
Name _____ Date _____
ch sh
will and look the
out this are you

Summery Sentences
Name _____ Date _____
Cut out the scrambled sentences and glue them in.
Then, write the sentence correctly.
the sat We tre
a I find

Crabby Blends
Name _____ Answer key _____ Date _____
mp nd st
lamp jump camp
hand sand pond
nest vest list
cat same can plane rake bat
rain name fan chat hat cake
plan rat shape rag tan man

Sunny Sight Words
Name _____ Date _____
Unscramble the sight words and glue the correct spelling under each sun.
htsi nda ouy hte
lilw otu rea kolo
will and look the
out this are you

Sunny Syllables
Name _____ Date _____
1 2 3
cat same can plane rake bat
rain name fan chat hat cake
plan rat shape rag tan man

Rain, Rain, Go Away!
Name _____ Date _____
short a words long a words
cat same can plane rake bat
rain name fan chat hat cake
plan rat shape rag tan man

Kindergarteners will practice digraphs, blends, high frequency words, syllables, and short vowel words.

FOUNDATIONAL MATH SKILLS

hands-on interactive printables

The image displays a collection of seven math worksheets for young children, each with a title and instructions:

- Collecting Shells:** Includes a spinner with four different shells and a table with columns for 'Pink' and 'Purple' to record results.
- Tricky Trees:** Features a palm tree illustration and a section labeled 'true' with a thumbs-up icon, where students glue equations to the correct tree.
- Octopus Addition:** Shows three octopus illustrations and a grid for matching equations. Below the grid, the equations $2+7$, $1+5$, $4+3$, and $6+$ are listed.
- Sunny Subtraction:** Contains ten sun icons, each with a subtraction problem: $10 - 3 = \square$, $10 - 7 = \square$, $10 - 5 = \square$, $10 - 9 = \square$, and $10 - 6 = \square$.
- Sunny Sums:** Displays eight sun icons with numbers (15, 17, 12, 14, 13, 16, 19, 18) and corresponding empty boxes for students to write the sums.
- Base Ten Buckets:** Shows a grid of buckets containing different numbers of blocks, with instructions to 'Match the shovel to the correct bucket'. Below the grid, the numbers 10, 3, 5, 7, 9, 2, 4, 6, and 8 are listed.
- Building Fact Families:** Features castle illustrations and a grid for writing addition and subtraction sentences based on the numbers on the buckets.

Encourages number sense and fine motor development!

EASY TO PREP

just print and go!

Name _____ Date _____

Building Fact Families

Use the numbers on the buckets to make the addition and subtraction sentences in the fact families.

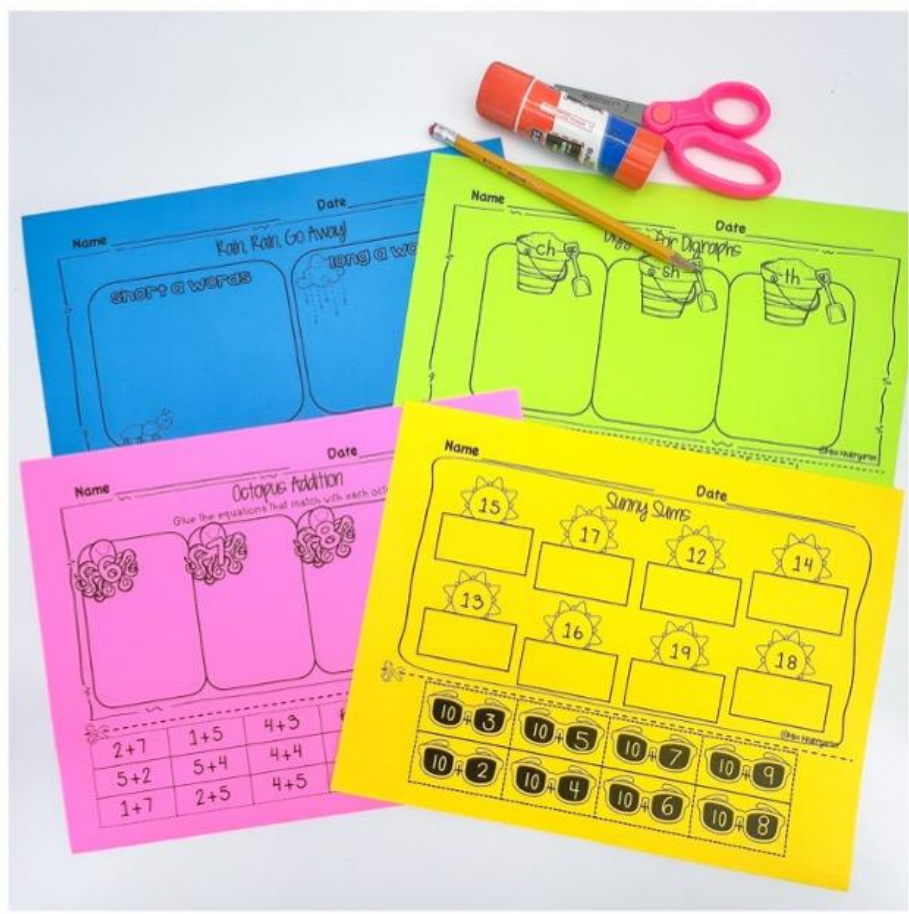

$2 + 3 = 5$
 $3 + 2 = 5$
 $5 - 3 = 2$
 $5 - 2 = 3$

$4 + 3 = 7$
 $3 + 4 = 7$
 $7 - 4 = 3$
 $7 - 3 = 4$

$2 + 6 = 8$
 $6 + 2 = 8$
 $8 - 2 = 6$
 $8 - 6 = 2$

$1 + 9 = 8$
 $9 + 1 = 8$
 $8 - 1 = 7$
 $8 - 7 = 1$
