APPLE BASKET CRAFT

Celebrate fall and practice important kindergarten skills with this fun apple craft! Your students can practice sorting and counting apples as they place them in the basket.

Included in this resource are craft templates and step-by-step directions with pictures. There are 3 options for the basket included, you can choose which one works best for your students.

To get started, copy or trace the craft templates onto the correct colored paper.

You can also copy the templates onto white copy paper and have your students color them in directly.
