PUMPKIN GLYPH CRAFT

Pumpkin Glyph- Craft Directions

1. Cut out each piece of paper.
2. Glue the stem and the top of the pumpkin.
3. Glue on the eyes, nose, and mouth.
4. If adding vines, cut out three construction paper strips around a pencil. Hold the two ends and gently pull apart. Glue onto the stem for the vines.
5. Write your name on the back.
