

# FINE MOTOR CENTERS

activities to use throughout the year

Pincer Grasp

Building Blocks

Tweezers

Geoboards

and MORE!

# ALPHABET PRACTICE

*and beginning sounds identification*

**Students use clothespins, playdough, cubes, and blocks to strengthen and develop pincer grasp.**

# NUMBER SENSE PRACTICE

one to one correspondence and counting

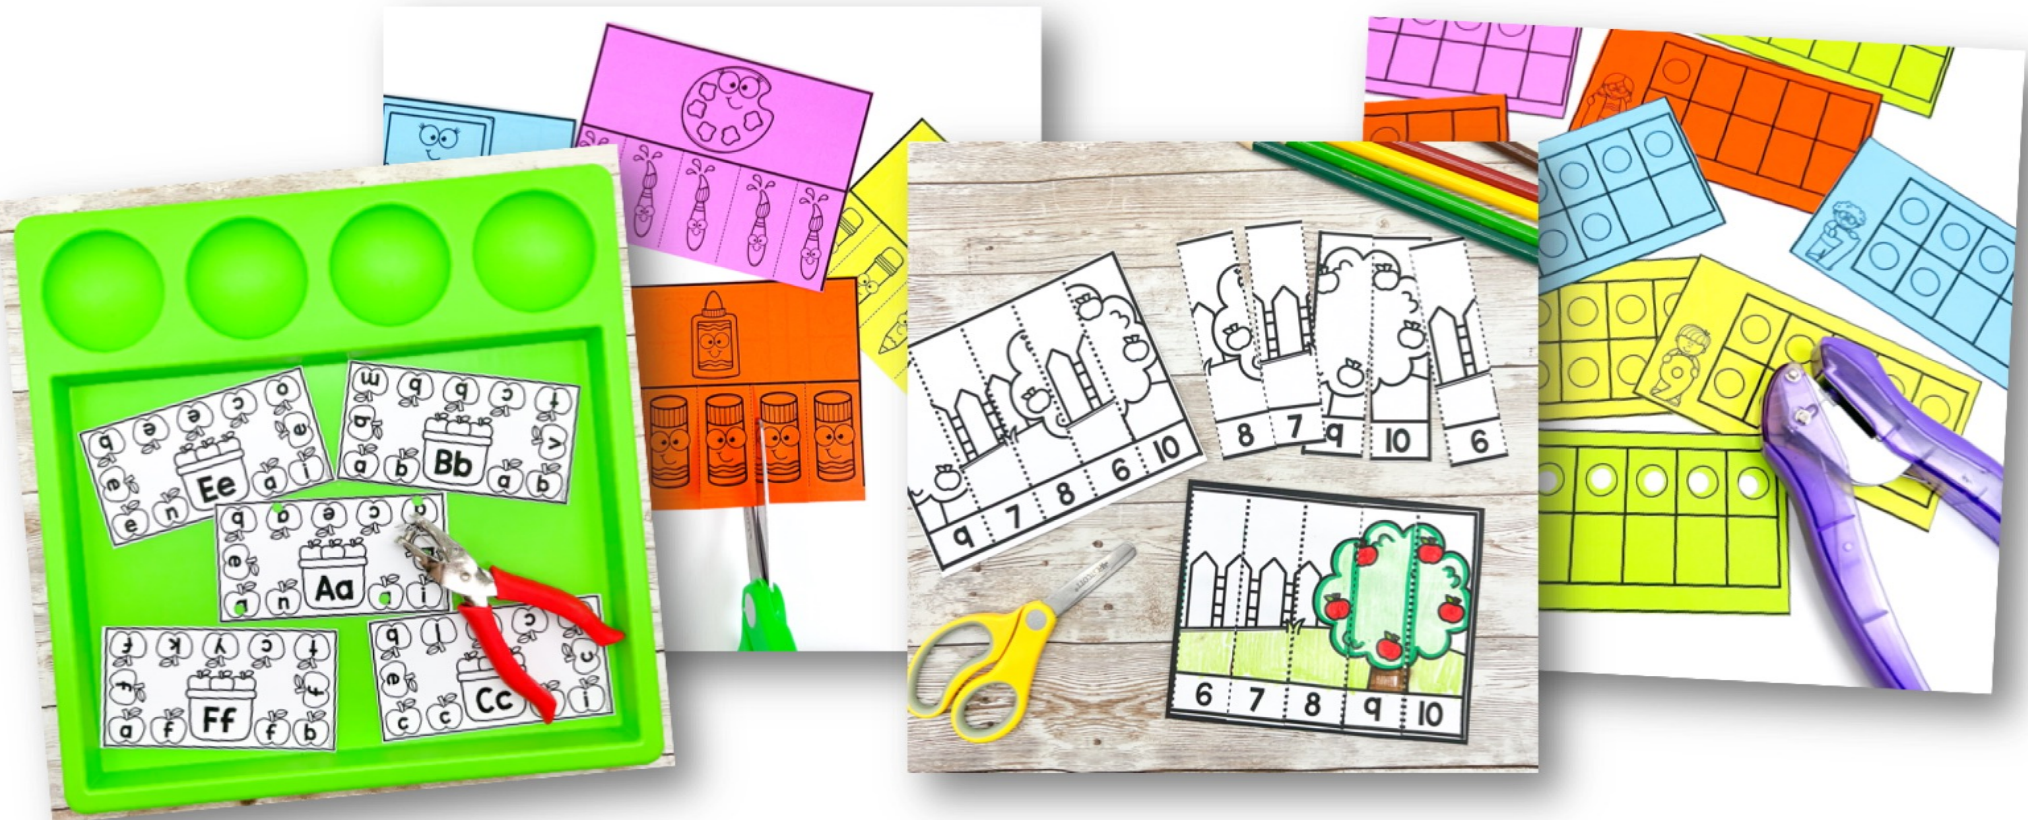

**Students use tweezers and beads to count within 20 and build fine motor strength.**

# BUILDING 2D SHAPES and NUMBER FORMATION

**Students use geoboards, bingo daubers, and tiny manipulatives to build shapes & numbers**

# HOLE PUNCH *and* SCISSOR SKILLS

**Students use a hole punch and scissors to work on hand strength and accuracy.**

# SEASONAL CENTERS

*to use all year long!*

**Themed centers to keep interest and engagement high throughout the fall, winter, and spring!**
