Apple Seeds Sink or Float?

I predict that the apple seeds will

APPLE GLYPH CRAFT

Apple Glyph Craft Directions

1. Cut out each piece following the directions.
2. Glue the stem and leaf onto the top of the apple.
3. Glue the inside piece of the apple onto the back of the apple.
4. Draw seeds with a green marker or use a green ink pad and make finger prints.
5. Write your name on the back.
