

Spring STEM Challenges

Hello parents,

We need your help! We are collecting materials for our Spring STEM Challenges. These materials will be used in the classroom, and will not be returned home.

We are in need of the following materials:

- Fresh Carnation Flowers
- Food Coloring
- Clear Cups
- Plastic straws
- Jelly Beans
- Baking Soda and Vinegar
- A Variety of Transparent Liquids
- Small Lightweight Balls
- Small Watermelons

Please send materials by _____

SPRING STEM CHALLENGES

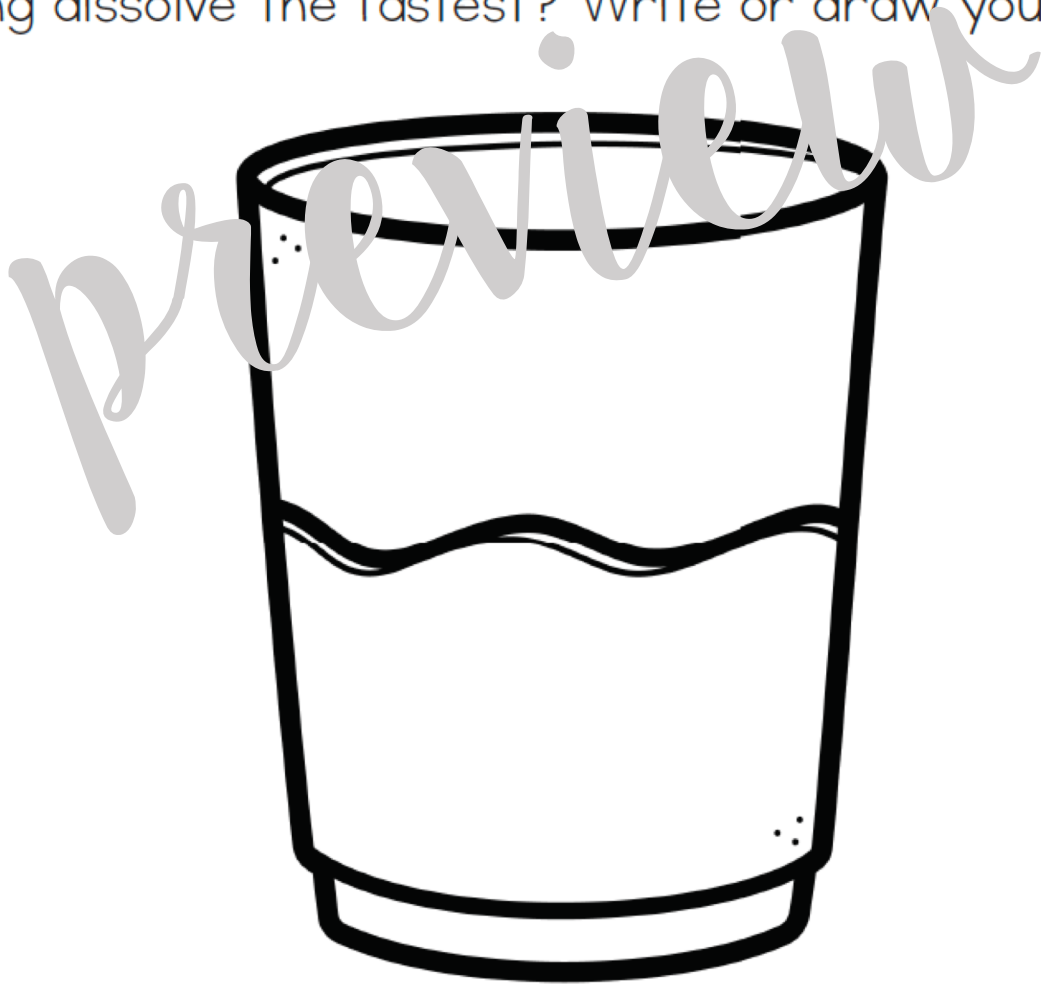

Strap on your STEM shoes and get ready to be amazed as your students complete STEM challenges!

You can complete a STEM lesson once a week, or complete all of the STEM challenges in rotations on a STEM day!

Make a Hypothesis

Let's make a guess! Which liquid will make the candy coating dissolve the fastest? Write or draw your answer.

Was your hypothesis correct?

yes

no
