Mats

# HANDS-ON PLAY DOUGH MATS

number identification

The mat is a white square with a yellow border, set against a pink background. It contains the following elements:

- A large purple number 9 on the left.
- The word "nine" in outline letters to the right of the number.
- A ten-frame (a 2x5 grid) containing 9 purple circles, with the bottom-right cell empty.
- A tracing line at the bottom with two hands on the left and two dashed 9s for tracing.
- A small copyright notice "©f011learning.com" in the bottom right corner.

**Incorporate hands-on FUN and learning!**  
**Your students will love reviewing numbers and 1:1 correspondence.**
