The image displays four distinct educational activity cards with a Christmas theme:

- Math Trees:** Features several Christmas trees with simple addition problems. One tree has the number 6 on it, and another has 5. Problems include  $1+4$ ,  $1+3$ ,  $1+7$ ,  $1+6$ ,  $1+8$ , and  $1+2$ .
- Missing Middle Sounds:** A literacy activity where children identify missing middle sounds in words. It includes a name line, the instruction "Write the middle sound you hear," and examples like "b \_ g" and "p \_ n" with corresponding illustrations of a shopping bag and a paperclip. Another row shows "c \_ t" and "b \_ g" with a cat and a frog.
- Sweet Sentences:** A literacy activity where children write a sentence and draw a picture to match. It includes a name line, the instruction "Write a sentence on the line and draw a detailed picture to match the sentence," and a central illustration of a girl with a candy cane. Below are word cards for "see", "a", "candy", and "cane." and a dotted line for writing.
- Gumdrop Numbers:** A math activity for number recognition. It features a name line, the instruction "Write the numbers in order from 1-20," and rows of gumdrop-shaped boxes. Some boxes are pre-filled with numbers like 13, 14, 15, 16, and 20. The bottom row includes illustrations of gingerbread houses and gingerbread men.
