## HOW TO ASSEMBLE

Copy or trace the templates onto the appropriate colored paper.

You will also need one 9"x9" piece of red construction paper for the chimney.

If your students are using the full page writing prompt, back the writing on a 9"x12" piece of construction paper.

Step one:  
Have your students complete the writing project first. Glue the writing onto the very top of the 9"x9" paper. Cut out the snowcap and glue it on top.

## HOW TO ASSEMBLE

Step two:  
Cut out the body and glue it behind the chimney.

Step three:  
Cut out the head and hands and glue them onto the body.

Step four:  
Very carefully, glue on Santa's beard. The points of the beard should line up with the head so that there's enough room to draw on the face.

## HOW TO ASSEMBLE

Step five:  
Glue down Santa's hat.

Step six:  
Glue down the nose and puff.

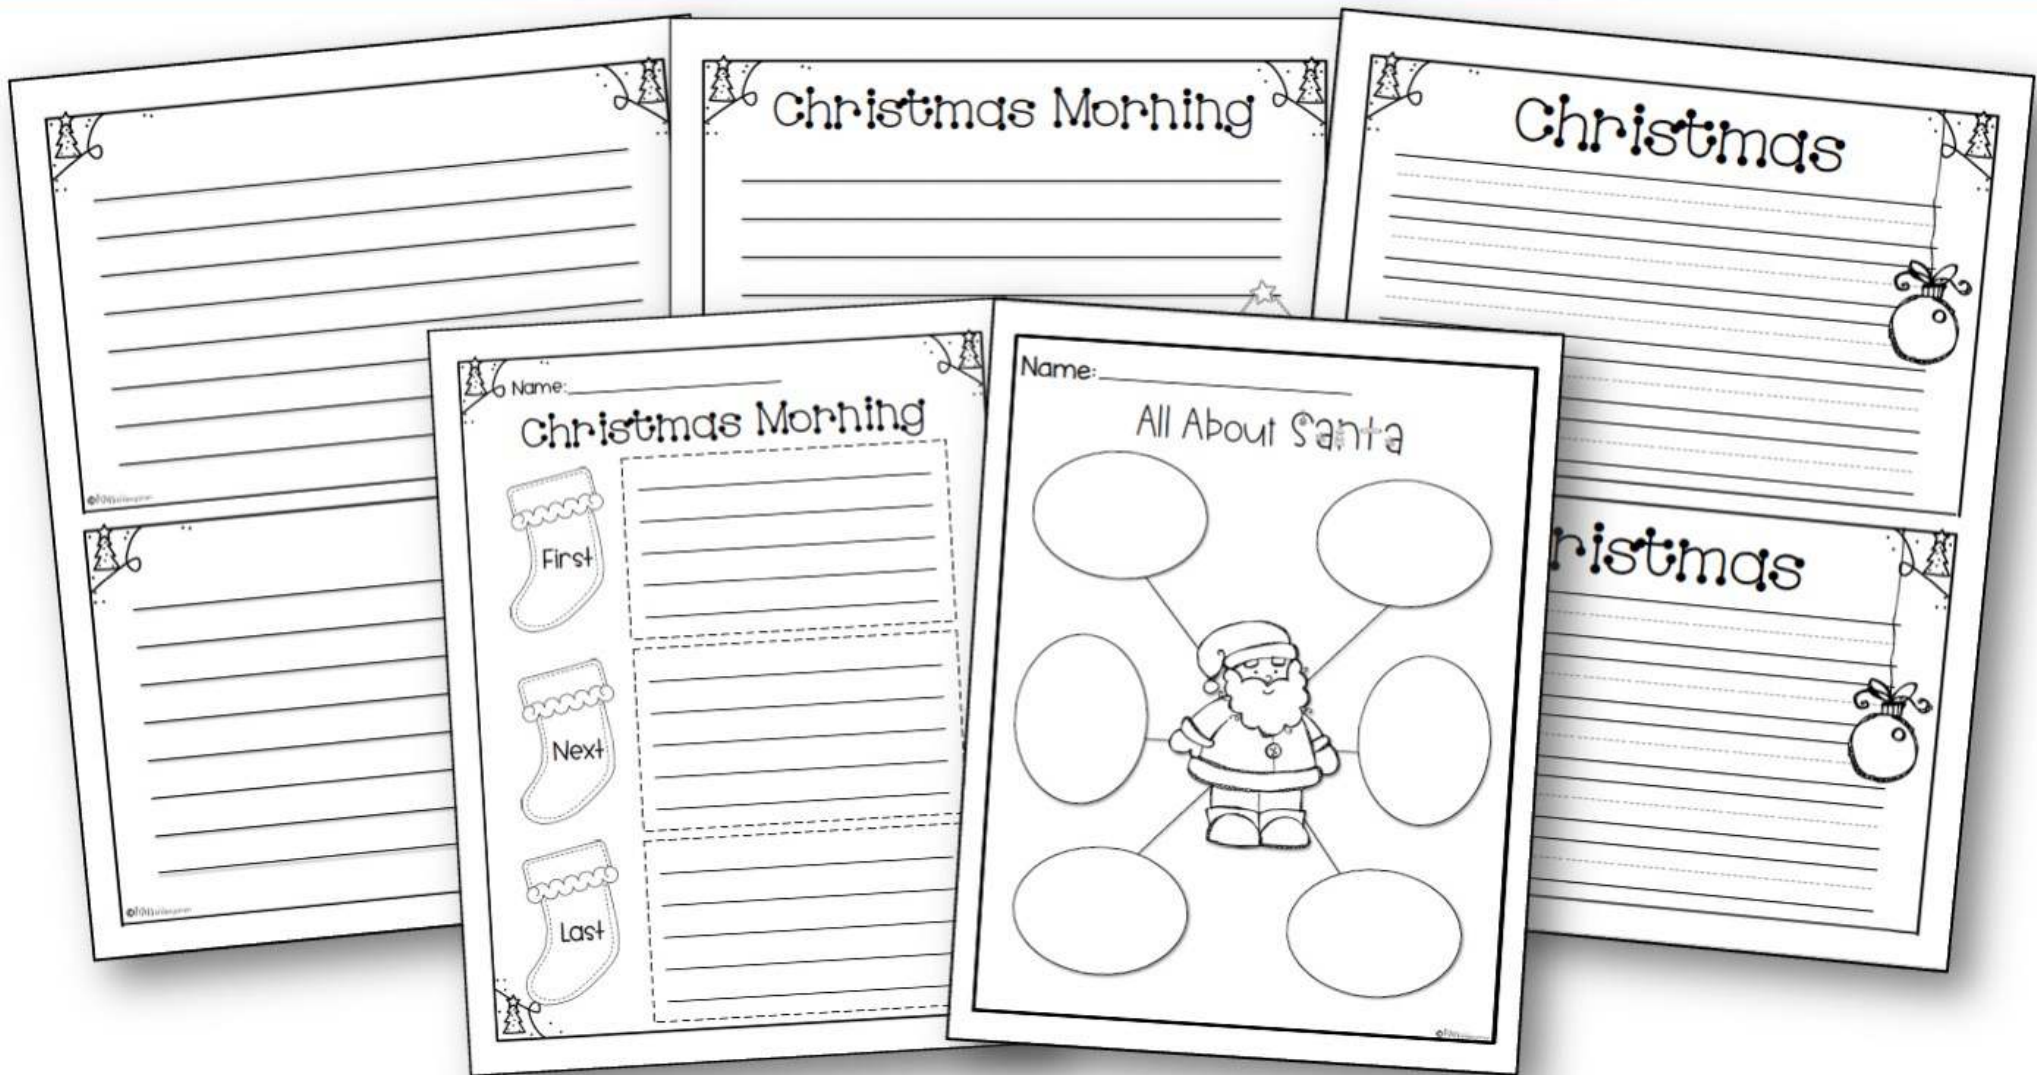

Step seven:  
Use a black marker, draw on the eyes. Make a half circle for the mouth so that it looks like a smile and draw a mustache.
