EASY TO FOLLOW INSTRUCTIONS

MAKING THE TASSEL

I used embroidery floss to make a realistic tassel. You can use one or more colors to make a colorful tassel.

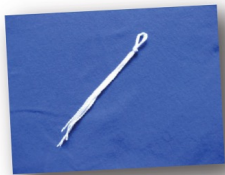

1. Measure out 3-4 pieces of floss 12 inches long.

2. Fold the floss in half.

4. Bring the floss through the loop and make a knot.

5. With your scissors, cut a small hole in the center of the cap tassel to fit a brad.

HOW TO ASSEMBLE

Copy or trace the templates onto the appropriate colored paper and cut out.

1. Complete the writing/drawing portion of the craft. {I would pre-cut and back on construction paper before having my students complete it.}
2. Glue the writing onto the gown.
3. Glue on the hands and head.
4. Glue on the hair.

5. Glue the base of the cap on the head.
6. Glue the top of the cap on the base.

7. Add a face!
