## HOW TO ASSEMBLE

### Step one:

Choose a writing prompt and have your students write about the 100<sup>th</sup> or 120<sup>th</sup> day of school. Have them write their name on the back and set it aside.

On the 100<sup>th</sup> day of school, I feel...

I wish I had 100...

### Step two:

Cut out the face and glue down the hair. If they're using the face pattern without eyes, they can draw the eyes and smile on with marker or crayon. Then glue the body and the head onto a 9"x12" piece of paper.
